

To have your business considered for a Dynacorn dealer account:

- 1.** Your business must be that of Classic Muscle Car restoration, parts sales or both.
- 2.** Your business cannot be strictly Internet, eBay (any auction site) or swap meet.
- 3.** You must maintain a business address separate from your house, garage, basement or adjoining property.
- 4.** You will be required to purchase a minimum of \$5,000.00 per year.
- 5.** We do not offer open accounts to any new dealer for a term of one year from acceptance.
- 6.** You will be required to send pictures of your facility both inside and out, current projects, and copies of all documentation making you legal to do business in your state, county and city. These may or may not include a business license, state retail tax certificate or county license.

If you feel qualified, please download the linked forms and return the original; signed documents (faxed copies or emails will not be accepted) including all the requested paperwork to us. At this point, you are responsible for how long it takes to process the application.

NOT ALL APPLICANTS WILL QUALIFY OR BE ACCEPTED AS A DYNACORN DEALER.
